Emergency Closings

The College Chancellor is authorized to make all decisions related to closing or delaying the opening of the College, and/or cancelling classes.

In the event that inclement weather conditions exist, or a situation deemed as an emergency on or off campus occurs, all or part of the College facilities may be closed.

Once a decision has been made, a campus-wide alerts will be issued via our emergency notification system, as well as, posted on the College website and social media outlets. When applicable, local news and radio stations will also be notified.
