

Scheduling your Kaplan Admissions Exam

Students seeking admission into the May 2022 Arkansas State University Three Rivers RN Program are required to take the Kaplan RN Admissions Assessment. A composite score of 70% is **recommended**, although the minimum score required for consideration is 65%. **The 50 highest scores are accepted.**

Students **MUST FIRST** create or sign-in to their **Kaplan account** and pay the \$50 test fee **to KAPLAN**.

How do I sign up?

1. Create or sign-in to Kaplan account using the link below. For your first test of this cycle, add "Spring 2022 Admissions" to cart and check out. Cost is \$50.

2. After completing step 1, complete the scheduling form to choose your test date/time.

Both are required, in this order.

- Testing dates & times are available on a first-come, first-served basis & will no longer be visible when full.
- Students may only test TWO TIMES. It is \$50 to test and students may test a second time at no charge if time and space allows. The second test is not guaranteed as it is dependent on availability.
- It is wise to sign up for a second test early if you think you may want to test twice. Once test days fill, future availabilities are entirely dependent on cancellations and cannot be guaranteed.
- If you wish to test twice, you will complete the sign-up process two separate times.
 - To sign up for a second test, sign in to your Kaplan account, add "Spring 2022 Repeat Admissions" to cart and check out. **There is no charge for the second test but you must complete this process to enroll a second time.**
 - Complete step 2 (scheduling form) again, choosing the second date/time you wish to test.
- Please choose your test dates carefully. Dates fill quickly so scheduling changes are not always possible as your desired date may be full.
- You may only test ONCE per day.

No unpaid entries will be scheduled.

**Deadline for application into the May 2022
RN program is February 11, 2022.**
